TERMS AND CONDITIONS OF YOUR ACCOUNT

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the state of Massachusetts (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

BYLAWS - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws on request. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the credit union, after providing for required reserves.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. You will also be liable for our costs to collect the deficit as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account including, but not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open.

WITHDRAWALS - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or any other transaction with us. You agree that, as to any item that

we have no opportunity to examine the signatures, such as an electronic check conversion transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation, you waive any requirement of multiple signatures for withdrawal. We may charge your account for a check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. You agree that we may charge fees for overdrafts and use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees. If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts for which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

STOP PAYMENTS - You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. To be effective, your stop-payment order must precisely identify the number, date and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

AMENDMENTS AND TERMINATION - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. At our option, we may suspend your rights to member services if you violate the terms of this agreement. You must keep us informed of your current address at all times. Notice from us to any one of you is notice to all of you.

STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day

limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

DIRECT DEPOSITS - If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

TEMPORARY ACCOUNT AGREEMENT - If this option is selected, this is a temporary account agreement. Each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

RIGHT TO REPAYMENT OF INDEBTEDNESS - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

RESTRICTIVE LEGENDS - We are not required to honor any restrictive legend on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

CHECK PROCESSING - We may process items mechanically by relying on the information encoded along the bottom of the items. This means that we may not individually examine all of your items to determine if the item is properly completed, signed and indorsed. You agree that we have not failed to exercise ordinary care solely because we use an automated system to process items and do not inspect all items processed in such a manner. We reserve the right not to inspect each item because using an automated process helps us keep costs down for you and all account holders. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

FACSIMILE SIGNATURES - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose.

REMOTELY CREATED CHECKS - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line. For example, if a person provides an account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue a remotely created check to withdraw money from that account.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

FUNDS TRANSFERS - The terms used in this section have the meaning given to them in Article 4A of the Uniform Commercial Code - Funds Transfers (UCC 4A). This section will generally not apply to you if you are a consumer. However, even if you are a consumer, this section will apply to that part of any funds transfer that is conducted by Fedwire. This section is subject to UCC 4A as adopted in the state in which you have your deposit with us. This agreement is also subject to all clearing house association rules, rules of the Board of Governors of the Federal Reserve System and their operating circulars. If any part of this agreement is determined to be unenforceable, the rest of the agreement remains effective. This agreement controls funds transfers unless supplemented or amended in a separate written agreement signed by us.

Funds transfer - A funds transfer is the transaction or series of transactions that begin with the originator's payment order, made for the purpose of making payment to the beneficiary of the order. A funds transfer is completed by the acceptance by the beneficiary's bank of a payment order for the benefit of the beneficiary of the originator's order. Generally, a funds transfer does not include any transaction if any part of the transfer is covered by the Electronic Fund Transfer Act of 1978, as amended from time to time. You may give us a payment order orally, electronically, or in writing, but your order cannot state any condition to payment to the beneficiary other than the time of payment.

Authorized account - An authorized account is a deposit account you have with us that you have designated as a source of payment of payment orders you issue to us. If you have not designated an authorized account, any account you have with us is an authorized account to the extent that payment of the payment order is not inconsistent with the use of the account.

Acceptance of your payment order - We are not obligated to accept any payment order that you give us, although we normally will accept your payment order if you have a withdrawable credit in an authorized account sufficient to cover the order. If we do not execute your payment order, but give you notice of our rejection of your payment order after the execution date or give you no notice, we are not liable to pay you as restitution any interest on a withdrawable credit in a non-interest-bearing account.

Cutoff time - If we do not receive your payment order or communication canceling or amending a payment order before our cutoff time on a funds transfer day for that type of order or communication, the order or communication will be deemed to be received at the opening of our next funds transfer business day.

Payment of your order - If we accept a payment order you give us, we may receive payment by automatically deducting from any authorized account the amount of the payment order plus the amount of any expenses and charges for our services in execution of your payment order. We are entitled to payment on the payment or execution date. Unless your payment order specifies otherwise, the payment or execution date is the funds transfer date we receive the payment order. The funds transfer is completed upon acceptance by the beneficiary's bank. Your obligation to pay your payment order is excused if the funds transfer is not completed, but you are still responsible to pay us any expenses and charges for our services. However, if you told us to route the funds transfer through an intermediate bank, and we are unable to obtain a refund because the intermediate bank that you designated has suspended payments, then you are still obligated to pay us for the payment order. You will not be entitled to interest on any refund you receive because the beneficiary's bank does not accept the payment order.

Security procedure - As described more fully in a separate writing, the authenticity of a payment order or communication canceling or amending a payment order issued in your name as sender may be verified by a security procedure. You affirm that you have no circumstances which are relevant to the determination of a commercially reasonable security procedure unless those circumstances are expressly contained in a separate writing signed by us. You may choose from one or more security procedures that we have developed, or you may develop your own security procedure if it is acceptable to us. If you refuse a commercially reasonable security procedure that we have offered you, you agree that you will be bound by any payment order issued in your name, whether or not authorized, that we accept in good faith and in compliance with the security procedure you have chosen.

Duty to report unauthorized or erroneous payment - You must exercise ordinary care to determine that all payment orders or amendments to payment orders that we accept that are issued in your name are authorized, enforceable, in the correct amount, to the correct beneficiary, and not otherwise erroneous. If you discover (or with reasonable care should have discovered) an unauthorized, unenforceable, or erroneously executed payment order or amendment, you must exercise ordinary care to notify us of the relevant facts. The time you have to notify us will depend on the circumstances, but that time will not in any circumstance exceed 14 days from when you are notified of our acceptance or execution of the payment order or amendment or that your account was debited with respect to the order or amendment. If you do not provide us with timely notice you will not be entitled to interest on any refundable amount. If we can prove that you failed to perform either of these duties with respect to an erroneous payment and that we incurred a loss as a result of the failure, you are liable to us for the amount of the loss not exceeding the amount of your order.

Identifying number - If your payment order identifies an intermediate bank, beneficiary bank, or beneficiary by name and number, we and every receiving or beneficiary bank may rely upon the identifying number rather than the name to make payment, even if the number identifies an intermediate bank or person different than the bank or beneficiary identified by name. Neither we nor any receiving or beneficiary bank have any responsibility to determine whether the name and identifying number refer to the same financial institution or person.

Record of oral or telephone orders - You agree that we may, if we choose, record any oral or telephone payment order or communication of amendment or cancellation.

Notice of credit - If we receive a payment order to credit an account you have with us, we are not required to provide you with any notice of the payment order or the credit.

Provisional credit - You agree to be bound by the automated clearing house association operating rules that provide that payments made to you or originated by you by funds transfer through the automated clearing house system are provisional until final settlement is made through a Federal Reserve Bank or otherwise payment is made as provided in Article 4A-403(a) of the Uniform Commercial Code.

Refund of credit - You agree that if we do not receive payment of an amount credited to your account, we are entitled to a refund from you in the amount credited and the party originating such payment will not be considered to have paid the amount so credited.

Amendment of funds transfer agreement - From time to time we may amend any term of this agreement by giving you reasonable notice in writing. We may give notice to anyone who is authorized to send payment orders to us in your name, or to anyone who is authorized to accept service.

Cancellation or amendment of payment order - You may cancel or amend a payment order you give us only if we receive the communication of cancellation or amendment before our cutoff time and in time to have a reasonable opportunity

to act on it before we accept the payment order. The communication of cancellation or amendment must be presented in conformity with the same security procedure that has been agreed to for payment orders.

Intermediaries - We are not liable for the actions of any intermediary, regardless of whether or not we selected the intermediary. We are not responsible for acts of God, outside agencies, or nonsalaried agents.

Limit on liability - You waive any claim you may have against us for consequential or special damages, including loss of profit arising out of a payment order or funds transfer, unless this waiver is prohibited by law. We are not responsible for attorney fees you might incur due to erroneous execution of payment order.

Erroneous execution - If we receive an order to pay you, and we erroneously pay you more than the amount of the payment order, we are entitled to recover from you the amount in excess of the amount of the payment order, regardless of whether you may have some claim to the excess amount against the originator of the order.

Objection to payment - If we give you a notice that reasonably identifies a payment order issued in your name as sender that we have accepted and received payment for, you cannot claim that we are not entitled to retain the payment unless you notify us of your objection to the payment within 60 days of our notice to you.

YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to "transaction" accounts and savings accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your check deposits available to you on the second business day after the day we receive your deposit, with the first \$500 available immediately. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the second business day, as detailed below. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Same-Day Availability

Funds from electronic direct deposits to your account and cash deposits will be available on the day we receive the deposit.

Next-Day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

- Cash deposits made at one of our ATMs
- Electronic payments (other than direct deposits)
- U.S. Treasury checks that are payable to you
- Wire transfers
- Share drafts drawn on Merrimack Valley FCU

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

- State and local government checks that are payable to you.
- Cashier's, certified, and teller's checks that are payable to you.
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit.

Other Check Deposits Subject to Second-Day Availability

The first \$500 from a deposit of other checks will be available immediately. The remaining funds will be available on the second business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, \$500 of the deposit is available immediately. The remaining \$200 is available on Wednesday.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as a failure of computer or communication equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.

_____ TERM SHARE CERTIFICATE

Bump-Up Option Plan and Rate Information - The dividend rate on your account is _____% with an annual percentage yield of _____%.

The dividend rate and annual percentage yield may change. We will not change the rate on your account during the term of the account. However, you have the option during the term of the 15 month account to exchange this dividend rate for a new dividend rate. The new dividend rate will be the dividend rate we are then offering on 15 month term share accounts. This exchange will be at no cost to you. If you make an exchange, the maturity date of this account will remain the same as originally scheduled. You may exercise this exchange option once during the term. This is only available for 15 months term.

Compounding frequency - Unless otherwise paid, dividends will be compounded every month.

Crediting frequency - Dividends will be credited to your account every month. Alternatively, you may choose to have dividends paid to you or to another account every month rather than credited to this account.

Dividend period - For this account type, the dividend period is monthly.

Minimum balance requirements:

The minimum balance required to open this account is \$1,000.00 for terms less than one year, \$500.00 for terms of one year or more.

You must maintain a minimum average daily balance of \$1,000.00 for terms less than one year, \$500.00 for terms of one year or more in your account each day to obtain the disclosed dividend rate.

Average daily balance computation method - Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the month.

Accrual of dividends on noncash deposits - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations:

For the 15 month term share certificate additional deposits in \$500 increments can be made.

After the account is opened, you may not make additions into the account until the maturity date stated on the account.

You may make withdrawals of principal from your account before maturity. Principal withdrawn before maturity is included in the amount subject to early withdrawal penalty.

You can only withdraw dividends credited in the term before maturity of that term without penalty. You can withdraw dividends anytime during the term of crediting after they are credited to your account.

Time requirements - Your account will mature _____.

Early withdrawal penalties (a penalty may be imposed for withdrawals before maturity) -

- If your account has an original maturity of 91 days or less:
The penalty we may impose is:
 - all dividends that have been earned.
- If your account has an original maturity of one year or less, but more than 91 days:
The penalty we may impose will equal 90 days dividends on the amount withdrawn subject to penalty.
- If your account has an original maturity of more than one year:
The penalty we may impose will equal 180 days dividends on the amount withdrawn subject to penalty.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

Withdrawal of dividends prior to maturity - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

Automatically renewable account - This account will automatically renew at maturity. You may prevent renewal if we receive written notice from you before maturity of your intention not to renew or you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any). We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity.

There is no grace period following the maturity of this account during which you may withdraw the funds without being charged an early withdrawal penalty.
